We've received so much from our Lord—life, faith, freedom, and family. Along with these gifts we've been given the responsibility to be faithful and faith-filled stewards of our finances.

What's the biggest problem most people have with their finances? *Credit card bills? Inadequate income? No savings? Too much month left at the end of the money?*

While people tend to think these are their major problems, they are just the symptoms. The real problem isn't so much the money (or lack of it) as it is our relationship with God and how we respond to His call for us to be Stewards of Providence. This includes trusting God to provide for our financial needs and doing our part to manage our financial needs.

Join us to learn how to become better stewards of our financial resources with “7 Steps to Financial Freedom” small-group series. This 8-week series will help you work through the 7-steps to becoming financially free—Be a “Steward of Providence;” Assess Where You Are; \$2,000 Emergency Savings; Eliminate Debt; Rainy Day Fund; Insurance & Estate Planning; and Saving & Investing.
