I have given prayerful thought to the generous and sacrificial sharing of my gifts of treasure. I will be giving back to God based upon a percentage of my gross income.

Biblical tithing is defined as giving 10% of your gross income to God. Each individual needs to decide how to split their charitable giving. Our parish suggests a goal of giving 8% for support of the parish and 2% to other charitable causes (e.g., Diocesan Appeal, United Way, Food Shelf, Caring Hands for Tanzania, etc.)

My total annual giving for parish support in 2010 will be \$_____, according to the following schedule*: (*check one*)
