

NEW MINISTRIES AT SACRED HEART
RETURN FORM TO CHURCH OFFICE/OR COLLECTION BASKET

- **SACRISTAN** — We would like to develop a number of individuals who would be willing to come a few minutes early and remain a short time at the end of Mass to help prepare the items we need to celebrate Mass and then to help make sure everything is in order after Mass. The servers help with this but I would like to have individuals, couples or families who would be responsible for making sure all happens as it should. If you are organized and detail oriented this is the ministry for you. Training will be provided. As far as a time commitment I think that arriving 15 minutes early and remaining about 10 minutes after Mass should be sufficient. Depending on the number of teams who volunteer we will make a schedule of service. Please consider this ministry and sign up if you are interested.

- **BAPTISM PREPARATION MINISTER** — The second is a form of evangelization, under the umbrella of Elizabeth Ministries we invite individuals and couples to consider sharing their faith and insights as a Baptismal Preparation Minister. You would be responsible for assisting us in preparing young parents for the Baptism of their child. We foresee that each team would make a home visit to the young parents, share with them the meaning of baptism and how we celebrate it. In addition, you will help answer any questions they may have as they prepare for this important moment in their child's life. Materials and training will be provided. If you are willing to share your faith in a warm and caring manner and enjoy talking with others to help strengthen their faith this would be a great ministry for you. Time commitment would be somewhat flexible depending on when couples approach us about the birth of a child. Please consider using the gifts God has given you in this form of sharing the Good News.
